Aeon for Ocean

"Kids teaching kids to lead the way in protecting the world's oceans"

Aeon for Ocean Non-Discrimination Policy

Aeon for Ocean, a 501(c)(3) corporation in the State of Minnesota, has adopted the following policy involving non-discrimination in support of our mission and in operating the organization:

We are focused on maintaining an open organization which does not discriminate against individuals, schools, businesses, donors, foundations, communities, or others based on race, color, religion, sexual orientation, gender identity, national origin, age, disability, or other protected classes under local, state, and/or federal law.

Whether in reference to employment, volunteering, or organizational outreach/presentations/events, Aeon for Ocean commits to reflect an inclusive approach to our operations.

To request further information on this policy please contact us at:
